

Northern Hornets BMX Club - 2024 Club Championship Series Rules

Qualification and Eligibility

- The Northern BMX Club Championship series will encompass 10 rounds (races) as per the published club racing calendar (subject to change and cancellation for date protection or extreme weather).
- The Northern BMX Club Championship series is open to all Auscycling race level licensed riders. Qualification and eligibility for Club Championship ranking is not dependent on NBMX club membership.
- Riders wishing to qualify for Championship ranking must meet the following criteria during the 10 rounds of the series:
 - Enter and be scored in the same race class at a minimum of 7 of the 10 rounds throughout the series.
 - Have a minimum of 5 volunteer card punches for your family throughout the season. Volunteering is recorded by punch-cards located in the pavilion and managed by the race director.

Note: The Northern BMX Club overall male and female "Club Champion" award is presented to the one Male and one Female Northern BMX Club member with the highest number of accumulated points in any age class. Members of other clubs will not be eligible for this overall award.

Scoring

- Open-wheel classes are awarded points at each round based on placing in the class entered. Merged classes will be scored as entered, not as raced.
- Points accumulated across multiple classes by the same rider will not be transferred or combined except for in exceptional circumstances and at the discretion of the race director or NBMX club committee.
- Participation classes (Mini-wheeler, Sprockets, and Novice riders) will not accumulate points based on placing. These classes will be ranked only as "qualified" or "not qualified" at the conclusion of the Championship series based on meeting the above qualification criteria.
- Points will be tallied and displayed using Sqorz race management.

Awards and Presentation

- Awards will be presented to all qualified riders in each class at the Northern BMX Club end of year presentation event. Details of the event will be announced at a later date and provided to all qualified riders.
- Awards not collected on the day will be stored at the club pavilion where collection at a Northern BMX Club even can be arranged.
- Northern BMX Club will not be responsible for delivery of awards. Any awards not collected within 3 months of the presentation event will become the property of Northern BMX Club to be used or disposed of as it sees fit.
